

CHAMPIONS GATE GOLF CLUB National Course**EVENT SPECIFIC LOCAL RULES**

1. **LIFT, CLEAN & PLACE** Balls positioned in the player's own fairway, including "the fringe" around the green, and all "Waste Areas" may be lifted, cleaned and placed within one club length of the balls original position, and not nearer the hole in play. Balls originally positioned in a "waste area" must be placed within that area.
2. **CART-MOUNTED RANGE MEASURING DEVICES** are authorized along with handheld range measuring devices.
3. **UNMAINTAINED AREAS** beyond the last cut of rough are "Lateral Water Hazards". For all water hazards not having a painted boundary line, the players shall use edge of the last cut of rough as the boundary and consider the hazard "lateral".
4. **HOLE #7** The dugout sand area, often retaining water, between holes #7 and #13 is a "Lateral Water Hazard".
5. **WASTE AREAS** The green side sand right of #3 green and left of #17 green are "Waste Areas" as are the sand bunkers in the right rough on hole #11, and on hole #14 beside the #15 and #16 tee boxes.
6. **HOLE #18 TEEING GROUND** shall be defined by the tee markers directly behind the front most cut box on the hole, approximately 525 yds. from the green.
7. **DROP AREAS** unless specifically authorized by the Committee shall **not** be in effect.

PLEASE

Play "Ready Golf" and putt out if practical.

Thanks for playing on the Moonlight Tour!
